Forecast for Thursday 01 Apr 2021

Weather: Long clear spells in west but cloud across eastern hills increasing overnight with perhaps a little drizzle around. Cloud across the east lifting and breaking through the morning, otherwise a dry day with long sunny spells. Dry and clear through the evening.

Chance of cloud free mountain/hill tops above 600m: Around 40% across eastern hills at first, otherwise close to 100%

Visibility: Occasional or periods of cloud above 450-600m across eastern hills lifting and breaking through the morning to leave little or no cloud below the summits by late morning. Away from cloud, visibility several kilometres in any overnight drizzle, otherwise very good
